
Kyoung Duk Co., Ltd.

Company Profile

Prologue

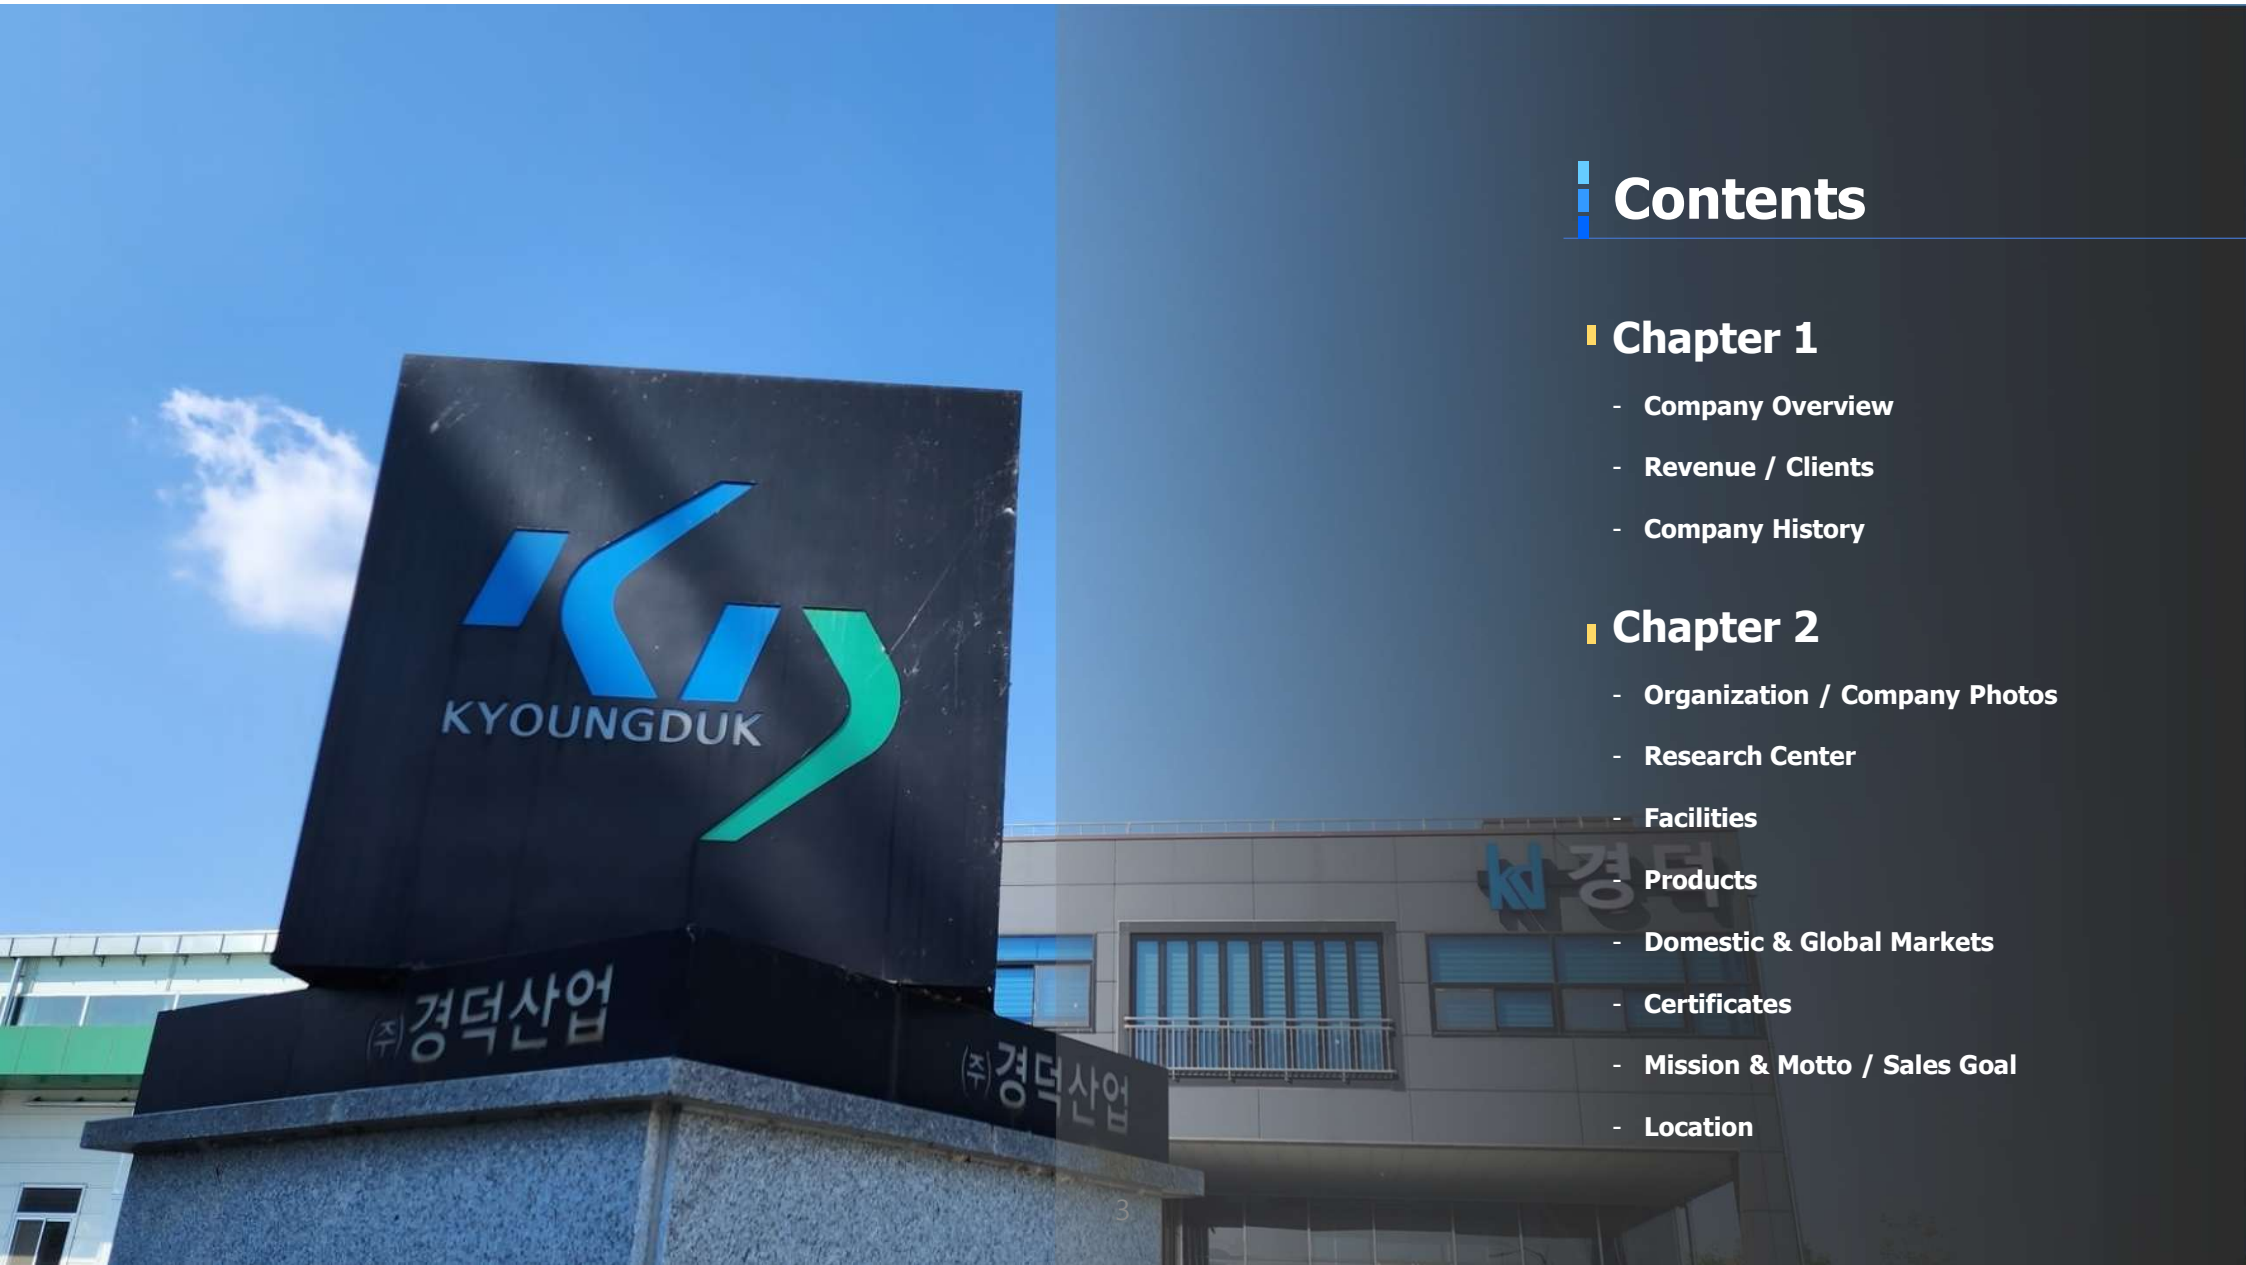

KOREA AUTOGLASS (KAC), a key strategic partner, commands a dominant 72% share of South Korea's automotive glass market.

We are proud to be KAC's primary supplier of holder grips, accounting for 80% of their usage.

This significant contribution means Kyoung Duk has a 57% market share for our holder grips in South Korea.

Car Grip Holder Market Share 57%

Quoted : KCC Glass
